

Sunrise Global Trading, LLC
"A Little Company Doing Big Things"

WADA / Quality Guarantee

We take our role in nutrition very seriously and understand and appreciate that many athletes are utilizing products that contain the LERA® Adaptogen Blend¹ as an ingredient.

Sunrise Global Trading, LLC has evaluated the LERA components against the WADA (World Anti-Doping Agency) and are confident that no component of the blend is regulated by WADA as banned or banned for performance pursuant to the 2019 list of substances, the use of which athletes should be concerned.

Please note that our LERA blend may be used as an ingredient in a number of products and we cannot endorse nor confirm a WADA statement for products based solely on the presence of LERA or the components of LERA on the ingredient label. We strongly advise athletes participating in national and international competitive events carefully review the product label for all ingredients contained in any product they may consume.

Sunrise Global Trading guarantees that our product, LERA® Adaptogen Blend is of the highest quality and that the components used are deemed legal substances by WADA.
